FAQ

FAQ

**1. Do you have your own factory?**

We have our own factory in Shenzhen, China, close to the port, so we have an advantage in price and quality control.

**2. How to ensure product quality?**

We have advanced equipment, maintaining on time every day to ensure good printing and cutting quality, and also a professional quality inspection team to ensure that each shipment is qualified.

**3. How to ensure that the product is accurate?**

After confirming the order, we will send you the design draft for confirmation, the production sample will be confirmed again, and then the mass production will be carried out.

**4. How to get samples? Is the sample charged? How long does the sample ship?**

- 1) Send inquiries to contact the account manager to request the samples;
- 2) the stock samples are free, the samples produced are charged according to your requirements; the sample fee will be refunded according to the order amount;
- 3) the samples will be sent within 3 days.

**5. How long will it be shipped?**

It is usually delivered within 7 to 12 working days after payment and document confirmed. If your order is urgent, we will adjust the schedule appropriately and continue to follow up the production process for you.

**6. What is the minimum order quantity of the product?**

The general order quantity for a product is 500pcs. The more the quantity is, the cheaper the unit price will be.
