Company Profile

Shenzhen Linglongrui Packaging Products Co., Ltd. is a manufacturer of printing and packaging gift boxes with many years of production experience. The factory has many advanced printing machines such as Heidelberg, Germany and Komori, Japan. The packaging workshop has assembled a number of professional production lines and has complete supporting facilities. We are located in Longhua District, Shenzhen City, Guangdong Province, where the supply chain of China's manufacturing industry is complete. The transportation is convenient. The factory has more than 200 people and covers an area of more than 10,000 square meters. Our main products are: corrugated boxes, cardboard magnet boxes, folding boxes, kraft paper boxes, paper bags, labels, book printing and other packaging printing production customization. Packaging boxes are widely used in all walks of life, and our products are exported to international world markets, such as America, Europe, Switzerland, Australia and Southeast Asia. We are a dynamic and professional team. Our capabilities include custom design, mold making, automated production and assembly, custom colors, logo printing and labels. We can also provide excellent after-sales service to avoid customers' worries. We have established a quality control system and established a comprehensive implementation standard for all work processes to ensure the quality of each order. Please contact us. We will be your reliable and long-term packaging solutions business partner. Welcome to China. You can learn more about us. We also look forward to establishing good business relations with customers from all over the world, mutual benefit and create a brilliant future.
