Product Usage

Fruit and vegetable packaging boxes are perfect for storing and transporting fresh produce such as fruits, vegetables, and herbs. They are designed to keep the produce safe and fresh, while also providing convenience for customers to take away their purchases. The boxes are suitable for use in various settings, including grocery stores, farmers' markets, and restaurants. They are also ideal for individuals who want to store or transport their fruits and vegetables in a secure and convenient way.

Product Scenario

These biodegradable packaging boxes are a great eco-friendly alternative to traditional plastic packaging. They are made from sustainable materials and can be easily recycled after use. The boxes are specifically designed for fruit and vegetable packaging, providing a perfect fit for different types of produce. The sturdy construction of the boxes ensures that the produce is protected during transportation and storage.

Product Price

The price of the boxes ranges from \$0.05 to \$0.3, depending on the quantity ordered. The more boxes you order, the lower the price per unit will be. This makes it a cost-effective solution for businesses and individuals who require a large number of packaging boxes.

Packaging Details

The boxes are packed in sturdy cartons to ensure safe delivery. The packaging is designed to protect the boxes from any damage during transportation.

Delivery Time

The average delivery time for these boxes is 12 days. However, this may vary depending on the order quantity and delivery location. For urgent orders, express delivery options are also available.

Packing and Shipping:

Packaging and Shipping for Food Packaging Box

**

Packaging:

The Food Packaging Box will be carefully packaged to ensure its safe delivery to our customers. The packaging materials used will be of high quality and suitable for food products, following all necessary health and safety regulations.

The box will be wrapped in a layer of bubble wrap to protect it from any potential damage during transportation.

It will then be placed in a sturdy cardboard box with additional padding to prevent any movement during shipping.

All sides of the box will be labeled with "Fragile" and "Handle with Care" to alert shipping carriers.

The box will be securely sealed with strong packing tape.

Shipping:

We offer both domestic and international shipping options for our Food Packaging Boxes. Our preferred shipping carriers are DHL, FedEx, and UPS, but we are open to accommodating customer preferences.

For domestic shipping, we estimate a delivery time of 3-5 business days, depending on the customer's location.

For international shipping, delivery times will vary depending on the customer's location and shipping method chosen.

All shipping costs will be calculated at checkout based on location and package weight.

Once the order has been shipped, customers will receive a tracking number to monitor the delivery status of their package.
