## Product Description

### Product Description:

#### Rigid Packaging Box

The Rigid Packaging Box is a high-quality cardboard jewelry packaging box that is designed to provide optimal protection and presentation for your gift or jewelry. Made from recycled materials, this environmental friendly packaging solution is perfect for those who value sustainability and eco-friendliness.

#### Industrial Use

This packaging box is specifically designed for industrial use, with a focus on gift and jewelry packaging. Its rigid and durable design makes it suitable for packaging delicate and valuable items, ensuring they are well-protected during transportation and storage.

#### Finishing

The Rigid Packaging Box offers optional finishing options to enhance its appearance and make it more appealing to customers. You can choose from a variety of finishes such as glossy, matte, or embossed, depending on your preference and branding needs.

#### Type

This packaging box is designed to be environmentally friendly, making it the perfect choice for businesses and individuals who prioritize sustainability. By using recycled materials, this packaging solution helps reduce the environmental impact of your business.

#### Pulp Style

The Rigid Packaging Box features a recycled pulp style, which not only adds to its eco-friendliness but also enhances its strength and durability. The pulp material used in this packaging is carefully selected and processed to ensure it meets the highest quality standards.

#### Printing

With offset printing technology, the Rigid Packaging Box allows for high-quality and precise printing of your brand logo, product information, or any other design elements. This makes it a great marketing tool and helps create a professional and attractive packaging solution for your products.

Overall, the Rigid Packaging Box is a perfect combination of functionality, sustainability, and aesthetics. Its sturdy design, eco-friendly materials, and customizable printing options make it an ideal choice for gift and jewelry packaging needs.

Applications:

Brand Name: llr

The Rigid Packaging Box by llr is a high-quality and durable packaging solution for a variety of products. Its brand name is a symbol of trust, reliability, and excellence.

Model Number: 5635151

The model number 5635151 signifies the unique design and features of this Rigid Packaging Box. Each box is carefully crafted to meet the specific needs of the product it is meant to package.

Place of Origin: China

The Rigid Packaging Box is proudly made in China, a country known for its efficient production processes and high-quality products. The use of advanced technology and skilled labor ensures the best packaging solutions for customers.

Minimum Order Quantity: 500

The minimum order quantity for llr's Rigid Packaging Box is 500 units. This allows for cost-effective production and ensures timely delivery of orders.

Price: \$0.4-\$1.85

The price range of \$0.4-\$1.85 for the Rigid Packaging Box reflects its high quality and value for money. Customers can choose from a variety of sizes and designs to suit their budget and packaging needs.

Packaging Details: Carton Pack

The Rigid Packaging Box is packed in sturdy cartons to protect it from any damage during transportation. This ensures that the boxes reach customers in perfect condition.

Delivery Time: 12 Days

With a production time of 10-15 days and efficient shipping methods, llr's Rigid Packaging Box can be delivered to customers within 12 days of placing an order. This quick delivery time is a testament to the company's commitment to customer satisfaction.

Payment Terms: TT

The payment terms for the Rigid Packaging Box are flexible and convenient for customers. Payments can be made via TT, ensuring a secure and hassle-free transaction process.

Supply Ability: 90000000/Month

With a supply ability of 90000000 units per month, llr's Rigid Packaging Box can meet the demands of large orders without compromising on quality. This showcases the company's production capabilities and commitment to meeting customer needs.

Shape: Rectangular

The Rigid Packaging Box has a rectangular shape, making it suitable for packaging a wide range of products such as electronics, cosmetics, and gifts. This versatile shape allows for easy storage and stacking.

Style: Lid And Base Box

The Rigid Packaging Box features a lid and base design, providing a secure closure and adding a touch of elegance to the overall packaging. The lid and base are also customizable, allowing for a unique and personalized packaging solution.

Production Time: 10-15 Days

The production time for the Rigid Packaging Box is 10-15 days, which includes the customization and printing process. This quick

turnaround time allows for timely delivery of orders and helps customers meet their deadlines.

Paper Type: Art Paper, Special Paper, Cardboard, Etc

The Rigid Packaging Box is made from high-quality paper types such as art paper, special paper, and cardboard. These paper types provide strength, durability, and a smooth surface for printing customized designs.

Type: Environmental

The Rigid Packaging Box is an environmentally friendly packaging solution, made from recyclable and biodegradable materials. This reflects Ilr's commitment to sustainability and reducing its environmental impact.

Cardboard Packaging Boxes

The Rigid Packaging Box is a type of cardboard packaging box, known for its sturdiness and ability to protect products during transportation. It is ideal for shipping fragile items and can withstand rough handling.

Custom Packaging Boxes

Ilr's Rigid Packaging Box is a customizable packaging solution, allowing customers to design and print their own logos, graphics, and messages. This makes it perfect for branding and marketing purposes.

Decorative Packaging Boxes

With its lid and base design and customizable features, the Rigid Packaging Box can also serve as a decorative packaging box. It adds a touch of sophistication and uniqueness to any product, making it stand out on store shelves.

Thank you for choosing our Rigid Packaging Box. We are committed to providing top-notch technical support and services to ensure that your packaging needs are met with the highest level of satisfaction.

## Packing and Shipping:

Packaging and Shipping for Rigid Packaging Box

Our Rigid Packaging Box is carefully packaged and shipped to ensure its safe arrival at your doorstep. Here's a breakdown of our packaging and shipping process:

Packaging

First, our Rigid Packaging Box is wrapped in a layer of protective bubble wrap to prevent any damage during transportation. The box is then placed into a sturdy cardboard box for added protection. We also include a layer of cushioning material, such as packing peanuts or air pillows, to further protect the box and its contents.

### Shipping

For domestic orders, we use a reliable shipping service with tracking to ensure your package arrives on time and in good condition. International orders will be shipped via our trusted international shipping partners. We take great care in properly labeling and documenting all international shipments to avoid any delays or issues at customs.

Once your order has been shipped, you will receive a tracking number via email so you can easily track your package's journey to you. Customer Satisfaction

At Rigid Packaging Box, we strive for 100% customer satisfaction. If your package arrives damaged or you are not completely satisfied with your purchase, please contact us immediately and we will do our best to resolve any issues.

Thank you for choosing Rigid Packaging Box. We hope our packaging and shipping process meets your expectations and your order arrives in perfect condition.
