## Product Description

### Product Description:

#### Rigid Packaging Box - Product Overview

The Rigid Packaging Box is a durable and eco-friendly solution for all your packaging needs. Made from recycled cardboard, it is not only environmentally friendly, but also a cost-effective option for your business.

Coating Side: Single Side

The Rigid Packaging Box is coated on a single side, providing a smooth and glossy finish to enhance the appearance of your products. The coating also offers protection against moisture and other external factors, ensuring the safety of your products during transportation and storage.

Color: Customizable

We understand that every brand has its own unique identity and color scheme. That's why our Rigid Packaging Box is fully customizable to match your brand's colors and aesthetic. You can choose from a wide range of colors and designs, making your packaging stand out on the shelves.

Type: Environmental

Our Rigid Packaging Box is not only a practical choice for your business, but also a responsible one. It is made from recycled cardboard, reducing the carbon footprint and promoting sustainability. By choosing our eco-friendly packaging, you are not only contributing to a greener environment, but also showcasing your brand's commitment to sustainability.

Port: Shenzhen

The Rigid Packaging Box is manufactured in Shenzhen, a major port city in China. This strategic location allows for efficient and cost-effective transportation of our packaging boxes to your desired destination. With our well-connected logistics network, you can expect timely delivery of your orders.

Pulp Style: Recycled

The Rigid Packaging Box is made from high-quality recycled pulp, which is strong and durable. This ensures that your products are well-protected during transit and storage. The use of recycled pulp also reduces the need for cutting down trees, making it a sustainable choice for packaging.

Key Features:

Made from recycled cardboard

Single-side coating for a smooth and glossy finish

## Support and Services:

### Packing and Shipping:

#### Rigid Packaging Box Packaging and Shipping

Our Rigid Packaging Box is carefully packaged to ensure safe delivery to your doorstep. We use high-quality materials and techniques to protect your product during shipping.

#### Packaging

The Rigid Packaging Box is first wrapped in a layer of bubble wrap to provide cushioning and protection against impacts. This is then placed inside a sturdy corrugated cardboard box to prevent any damage during transportation.

We also use air pillows or foam inserts to fill any empty spaces in the box and prevent your product from shifting during shipping. This helps to keep the box and its contents intact.

For added protection, we seal the box with strong packing tape to ensure it stays closed and secure during transit.

#### Shipping

Our Rigid Packaging Box is shipped using reliable and trusted carriers to ensure timely delivery. We offer various shipping options to best suit your needs, including standard and expedited shipping.

Once your order has been shipped, you will receive a tracking number via email to track your package's journey to you.

If there are any issues with your package during shipping, our customer service team is available to assist and resolve any problems.

At Rigid Packaging, we take great care in packaging and shipping our products to ensure they arrive to you in perfect condition. Your satisfaction is our top priority.
