With a production time of 15 days for a maximum of 1000 pieces, you can have your customized boxes ready in no time.

One of the key features of this product is its shape - rectangular. This shape not only adds a sleek and modern look to the box but also makes it easier to stack and store. The rectangular shape also allows for more space inside the box, making it perfect for packaging a variety of products.

At Fancy Packaging Box, we understand the importance of brand identity, which is why we offer the option to add your own logo to the box. This gives your product a professional look and helps in brand recognition. We believe that every product is unique and deserves to have its own identity, and our customization options allow you to achieve just that.

When it comes to the finishing of the box, we offer both glossy and matte options. Our glossy finish adds a shine to the box, making it eye-catching and perfect for products that need to stand out. On the other hand, our matte finish gives a subtle and elegant look, making it ideal for products that require a more sophisticated packaging.

Our color printing options include CMYK and Pantone, ensuring that your design is accurately reproduced on the box. This gives you the freedom to use a wide range of colors and achieve the exact look you desire. Whether it's a bold and vibrant design or a more subtle and minimalist one, our color printing options have got you covered.

One of the most important aspects of a packaging box is its material. Our Fancy Packaging Box is made from high-quality material, ensuring that your products are safe and secure inside. The sturdy structure of the box also adds to its durability, making it suitable for shipping and transportation.

In conclusion, the Fancy Packaging Box is the perfect choice for anyone looking for a sophisticated bundle box that not only protects their products but also adds a touch of elegance to them.
