Application

Ilr Food Packaging Box is suitable for various food products such as cakes, candies, chocolates, and coffee. It provides excellent protection and preservation for these delicate food items during transportation and storage. Our packaging design is carefully crafted to enhance the appeal of your food products and attract customers.

Scene

A busy commercial kitchen in a bakery or confectionery shop. The chefs are preparing delicious cakes, candies, and chocolates for their customers. The Ilr Food Packaging Boxes are neatly stacked on the shelves, waiting to be filled with these mouth-watering treats. The packaging boxes not only protect the food but also add a touch of elegance and professionalism to the scene.

Product Attributes

Bio Food Packaging - Our packaging boxes are made from biodegradable and compostable materials, making them a sustainable choice for your food products. We aim to reduce the use of single-use plastic in the food industry and promote eco-friendly alternatives.

Fruit And Vegetable Packaging Boxes - Our packaging boxes are not just for cakes and candies, but also for fruits and vegetables. The sturdy design and proper ventilation of our boxes ensure that the produce stays fresh and safe during transportation.

Fruit Packaging Boxes - These boxes are specifically designed for packaging fruits. The ventilation holes allow the fruits to breathe, preventing moisture build-up and keeping them fresh for longer.

Food Packaging Design - Our team of experienced designers creates attractive and functional packaging designs that will make your food products stand out on the shelves. We understand the importance of visual appeal in the food industry and strive to deliver packaging that will catch the eyes of potential customers.

Choose Ilr Food Packaging Box for your food packaging needs and join us in our mission to create a greener and more sustainable future.

Packing and Shipping:

Food Packaging Box Packaging and Shipping

The Food Packaging Box is carefully packaged to ensure its safe arrival to your doorstep.
Packaging

Our Food Packaging Box is packed in a sturdy cardboard box to protect it from any damage during shipping. The box is sealed with strong tape to prevent any opening during transit.
Inside the cardboard box, the Food Packaging Box is wrapped in a layer of bubble wrap for extra protection. This helps to cushion the box and prevent any breakage or dents.
The Food Packaging Box is then placed in a larger shipping box with additional padding to ensure its safe journey to you.

Shipping

We offer various shipping options to suit your needs and budget. Our standard shipping method is through reputable shipping carriers such as UPS or FedEx.

You will receive a tracking number once your order has been shipped, so you can easily track your package and know when to expect its arrival.

For international orders, additional customs fees and taxes may apply. Please check with your local customs office for more information. We take great care in packaging and shipping your Food Packaging Box to ensure it arrives in perfect condition. However, if there are any issues with your order, please don't hesitate to contact us and we will do our best to resolve the issue.
