Product Description

Product Description:

Custom Food Packaging Box – Perfect for All Your Food Packaging Needs

Our custom food packaging boxes are designed to meet all your food packaging needs in the most efficient and effective way possible. These boxes are perfect for businesses that need to package and deliver food products to their customers, ensuring that the food remains fresh and presentable during transportation.

Sample Time: 3-5 Work Days

With our quick sample time of 3-5 work days, you can get a first-hand look at the quality and design of our food packaging boxes before placing a larger order. This allows you to make any necessary changes or modifications, ensuring that the final product meets your expectations.

Box Type: Folders

Our food packaging boxes come in the form of folders, making them easy to assemble and use. The folder design also provides an added layer of protection for your food products, keeping them safe and secure during transportation.

Production Time: 7-20 Days

We understand that time is of the essence when it comes to food packaging, which is why we offer a production time of 7-20 days. This allows us to efficiently manufacture and deliver your custom food packaging boxes within a reasonable timeframe.

Color: Custom

We offer a wide range of custom color options for our food packaging boxes, allowing you to choose the perfect color that represents your brand and complements your food products. Our high-quality printing techniques ensure that the colors are vibrant and long-lasting.

Custom Order: Accept

At Food Container Paper Box Supplier, we understand that every business has unique packaging needs. That's why we accept custom orders for our food packaging boxes, allowing you to design and personalize the boxes according to your specific requirements.

In conclusion, our custom food packaging boxes are the perfect solution for businesses looking to package and deliver their food products in a professional and efficient manner. With our quick sample and production time, customizable options, and high-quality materials, you can trust us to provide you with the best food packaging solution for your business.

Application and Scene

The Food Packaging Box by Ilr is perfect for any food-related products, such as cakes, candies, chocolates, coffee, and other types of food. It is an ideal packaging solution for businesses in the food industry.

Whether you have a bakery, candy shop, or a coffee shop, this cardboard packaging for food will meet your needs. It is also suitable for packaging fruits, making it a versatile option for farmers and fruit vendors.

Why Choose Ilr's Food Packaging Box?

High-quality paperboard material that is sturdy and durable.

Eco-friendly packaging that is recyclable and biodegradable.

Customizable design and size to suit your specific product and branding needs.

Cost-effective packaging solution with a minimum order quantity of 500 boxes.

Fast and efficient delivery within 12 days to ensure your product reaches the market on time.

Secure packaging to protect your food products during transport.

Scene Description

A bakery owner, Mrs. Smith, orders 500 Food Packaging Boxes from Ilr for her newly launched cake shop. She chooses Ilr's packaging because of its eco-friendly nature and the ability to customize the design. The boxes are delivered within 12 days, just in time for her grand opening. The packaging not only protects the cakes during delivery but also enhances the presentation of her products with its attractive design and sturdy material.

Meanwhile, Farmer Joe also orders 500 Food Packaging Boxes from Ilr to package his freshly picked fruits. The cardboard packaging is perfect for fruits as it keeps them safe and fresh during transport. The eco-friendly packaging also aligns with his farm's values and helps attract environmentally conscious customers.

In Conclusion

The Food Packaging Box by Ilr is a versatile and eco-friendly packaging solution for businesses in the food industry. With its customizable design, sturdy material, and fast delivery, it is the perfect choice for packaging cakes, candies, chocolates, coffee, fruits, and other food products. Make the switch to Ilr's cardboard packaging for food and enhance the presentation and protection of your products today!

Packing and Shipping:

Food Packaging Box Packaging and Shipping

The Food Packaging Box is carefully packaged to ensure safe and secure shipping to our customers. The packaging process involves the following steps:

Step 1: The box is first inspected for any damages or defects.

Step 2: The box is then cleaned and sanitized to ensure hygiene.

Step 3: The food items are carefully placed in the box, making sure they are properly arranged and sealed.

Step 4: The box is then sealed and labeled with the necessary information, such as product name, quantity, and expiration date.

Step 5: The box is placed in a sturdy and durable shipping container.

Step 6: The shipping container is securely sealed and labeled with the customer's shipping address.

Step 7: The package is then sent out for shipping through a reliable and trusted courier service.

Our team takes great care in packaging and shipping our Food Packaging Boxes to ensure that they reach our customers in perfect condition. We also use eco-friendly packaging materials to reduce our carbon footprint. With our efficient packaging and shipping process, you can trust that your order will arrive safely and on time.
