Product Description

Product Description:

Food Packaging Box

Our custom food packaging boxes are designed to keep your food products fresh and protected during storage and transportation. With our customized food packaging box, you can create a unique and eye-catching packaging for your food products.

Production Time: 7-20 days

Our production time for food packaging boxes is 7-20 days, depending on the quantity and complexity of your order. We strive to deliver your order within the shortest time possible without compromising on quality.

Advantage: Eco

Our food packaging boxes are made from eco-friendly materials, making them a sustainable and responsible choice for packaging. We believe in protecting the environment and reducing our carbon footprint, and that's why we use biodegradable and recyclable materials for our packaging boxes.

Sample Time: 3-5 Work Days

We understand the importance of seeing and feeling the actual product before placing a bulk order. That's why we offer a sample time of 3-5 work days, so you can have a physical sample of your customized food packaging box to ensure it meets your expectations.

Lead Time: 10 Days

Once you have approved the sample, our lead time for production and delivery is 10 days. We are committed to delivering your order within the agreed timeline, and we will keep you updated on the progress of your order.

Custom Order: Accept

We welcome custom orders for food packaging boxes, as we understand that every product and brand has unique packaging requirements. Our team of experts will work closely with you to create a custom food packaging box that meets your specific needs and reflects your brand's identity.

Key Words: Custom Food Packaging Boxes, Customized Food Packaging Box, Bio Food Packaging Box

Choose our custom food packaging boxes to stand out in the market and make a positive impact on your customers. With our customized food packaging box, you can showcase your brand and products in a sustainable and eco-friendly way. Contact us today to place your order for a bio food packaging box that represents your brand values and quality of your products.

Product Description

The Ilr Food Packaging Box is a custom packaging solution for food products. It is designed to provide a stylish and functional packaging option for various food items such as cakes, candies, chocolates, coffee, and other types of food. The box is made from high-quality materials and is available in different sizes to meet the specific packaging needs of customers.

Application

The Ilr Food Packaging Box is perfect for use in various food-related businesses and events. It can be used in bakeries, confectionery shops, coffee shops, and other food stores to package and present their products in an attractive and professional manner. It is also suitable for use in food gift packaging, making it an ideal choice for special occasions like birthdays, weddings, and holidays.

Features and Benefits

The Ilr Food Packaging Box is made from high-quality materials, ensuring durability and protection for the packaged food items.

It is available in different sizes, making it suitable for various food products.

The box is customizable, allowing businesses to add their brand logo and design to create a unique packaging solution.

It is eco-friendly and recyclable, making it a sustainable choice for businesses and consumers.

The box is easy to assemble and can be stacked for efficient storage and transportation.

It is lightweight and does not add extra weight to the packaged food items, reducing shipping costs.

Ordering Information

The Ilr Food Packaging Box has a minimum order quantity of 500 boxes. Customers can choose from the available sizes and place their orders through our website or by contacting our sales team. The price range for the boxes is \$0.05-\$0.3 per piece, and payment can be made through TT. The delivery time is 12 days, and the supply ability is 9000000000/month. Sample orders can be made with a lead time of 3-5 work days, and the sample cost will be refunded once an order is placed.

Conclusion

The Ilr Food Packaging Box is a versatile and customizable packaging solution for food products. It provides businesses with a stylish and functional way to package and present their products, and also promotes eco-friendly practices with its recyclable materials. With its high-quality and affordable price, it is the perfect choice for food-related businesses looking for a professional and sustainable packaging option.

Packing and Shipping:

Food Packaging Box

Packaging and Shipping

Our Food Packaging Box is carefully packaged and shipped to ensure its safe arrival at your doorstep. Each box is made with high-quality materials and is designed to protect your food during transportation.

Packaging Process

Before the Food Packaging Box is shipped, it goes through a thorough packaging process to ensure its integrity. The box is first folded and assembled, and then the food is carefully placed inside. The box is then sealed and labeled with the necessary information, such as the food type and expiration date.

Shipping Options

We offer a variety of shipping options to meet your needs. You can choose from standard shipping, which typically takes 3-5 business days, or expedited shipping, which will arrive within 1-2 business days. We also offer international shipping to select countries.

Protection during Shipping

To ensure your Food Packaging Box arrives in perfect condition, we take extra precautions during shipping. Each box is placed in a larger shipping box with additional padding to protect it from any damage during transportation. We also work closely with our shipping carriers to ensure safe handling and delivery of your package.

Thank you for choosing our Food Packaging Box. We take pride in providing high-quality packaging and shipping services to ensure your satisfaction. If you have any questions or concerns about your shipment, please don't hesitate to contact us.

Happy packaging and shipping!
