Product Description

Product Description:

Paper Tube Packaging

Are you looking for an environmentally friendly and versatile packaging solution? Look no further than our Paper Tube Packaging! Our Cardboard Cylinder Tubes are made from 100% recycled materials, making them a sustainable option for your packaging needs. These tubes are not only eco-friendly, but also durable and lightweight, making them perfect for shipping and storing your products.

Surface: Custom - Our Paper Tube Packaging can be customized with your choice of surface design, including printing, labeling, and embossing. This allows you to showcase your brand and product in a unique and eye-catching way.

Shipment: LCL, FCL, Express, Air Shipment - We offer a variety of shipment options to meet your specific needs and budget. Whether you need a small batch for a local market or a large order for international distribution, we've got you covered.

Customized Logo: Accept - Want to make your packaging stand out even more? We accept customized logos on our Paper Tube Packaging, helping to increase brand recognition and customer loyalty.

Shape: Cylindrical - Our Paper Tube Packaging comes in a cylindrical shape, providing a sleek and professional appearance. This shape also allows for easy storage and stacking, making it ideal for both retail and shipping purposes.

Size: Customizable - We understand that each product has unique packaging requirements, which is why we offer customizable sizes for our Paper Tube Packaging. Whether you need a small tube for cosmetics or a larger one for posters, we can accommodate your needs.

Our Cardboard Paper Tube is not just limited to one type of product - it can be used for a variety of items, including but not limited to:

Cosmetic Tube Packaging

Food and Beverage Containers

Gift Boxes

Clothing and Textile Packaging

Craft Supplies

And more!

With our Custom Paper Tubes, the possibilities are endless. Contact us today to discuss your packaging needs and let us help you create a unique and sustainable solution for your products.

LLR Paper Tube Packaging is a revolutionary product that combines functionality, eco-friendliness, and customizability to create the perfect packaging solution for a wide range of products. Made from high-quality, eco-friendly materials, our Cylinder Cardboard Packaging is not only visually appealing but also environmentally sustainable.

Application Scenarios

LLR Paper Tube Packaging is versatile and can be used in various scenarios, making it the ideal choice for businesses and individuals looking for sustainable packaging solutions. Some of the common application scenarios include:

Retail

Our Cardboard Cylinder Packaging is perfect for retail products such as cosmetics, food, and beverages. With its sleek and professional look, it will make your products stand out on the shelves and attract potential customers.

Gifts

Looking for a unique and eco-friendly way to package gifts? LLR Paper Tube Packaging is the perfect solution. Whether it's for birthdays, weddings, or any other special occasion, our packaging will make your gifts even more special.

Shipping and Mailing

Our Paper Tube Packaging is also ideal for shipping and mailing products. Its sturdy and durable design ensures that your products are well-protected during transit. Plus, its customizable size makes it suitable for a variety of products, from small items to larger ones.

Events and Promotions

Make your brand stand out at events and promotions with our custom-branded Paper Tube Packaging. Perfect for giveaways, merchandise, and promotional items, our packaging will leave a lasting impression on your target audience.

Why Choose LLR Paper Tube Packaging?

With so many packaging options available, why should you choose LLR Paper Tube Packaging? Here are just a few reasons:

Eco-friendly materials: Our packaging is made from 100% recyclable materials, making it a sustainable choice for your business.

Customizability: We offer customizable sizes, finishes, and branding options to meet your specific packaging needs.

Durable and sturdy: Our Paper Tube Packaging is designed to withstand the rigors of shipping and handling, ensuring your products reach their destination safely.

Cost-effective: With a minimum order quantity of 500 and a competitive price range of \$0.42-\$1.3, our packaging is a cost-effective solution for businesses of all sizes.

Fast delivery: With a supply ability of 90000000000/month, we can meet your packaging needs in a timely manner, helping you avoid any delays in product delivery.

Upgrade your packaging game with LLR Paper Tube Packaging - the eco-friendly, customizable, and functional solution for all your packaging needs. Contact us today to learn more and place your order.

Food Packaging Tube

Our Paper Tube Packaging is perfect for food products. With its cylindrical shape, it provides a unique and attractive packaging solution for your food items.

Cylinder Packaging Tubes

Our Paper Tube Packaging is designed in the shape of a cylinder, providing a sturdy and durable packaging solution for your products. It is perfect for protecting your products during transportation and storage.

Cylinder Paper Tube Packaging

Our Paper Tube Packaging is customizable according to your product's size and specifications. This allows for a perfect fit and ensures your products are well-protected.

Packing and Shipping:

Packaging and Shipping

Our Paper Tube Packaging is carefully designed to provide reliable protection for your products while also being environmentally friendly. The packaging is made from sturdy kraft paper, which is biodegradable and recyclable, ensuring that your packaging is not harmful to the

environment.

Packaging Process

We take great care in packaging your products to ensure that they arrive at their destination in pristine condition. Here is our packaging process:

First, we measure and cut the kraft paper to the appropriate size for your product.

Next, we roll the paper into a tube shape and secure it with adhesive.

Then, we add any necessary padding or inserts to ensure your product is well-protected.

Finally, we seal the ends of the tube and label it with your product information.

Shipping Options

We offer various shipping options to meet your needs and budget. Our standard shipping option is through a trusted carrier with a trackable delivery service. We also offer expedited shipping for urgent orders.

To reduce our carbon footprint, we use eco-friendly packaging materials and consolidate shipments whenever possible. We also offer international shipping to reach a wider market for your products.

Custom Packaging

We understand that every product is unique, and we are happy to work with you to create custom packaging solutions. Our team of experts can help you design and produce custom paper tubes that fit your product perfectly and reflect your brand's identity.

Contact us today to discuss your custom packaging needs and receive a quote. We look forward to helping you create the perfect packaging for your products.
