Product Description

Product Description:

Paper Tube Packaging - Customizable Design for Food and Cosmetic Products

Paper tube packaging is a popular choice for packaging food and cosmetic products due to its durability and eco-friendly properties. Our cardboard paper tubes are made from high-quality materials and can be customized to meet your specific packaging needs.

Customizable Design

Our paper tube packaging is highly customizable to ensure that your product stands out on the shelves. We accept custom designs, allowing you to choose the size, shape, and color of your packaging. This allows you to create a unique and eye-catching packaging solution for your product.

Shipment Options

We understand that timely delivery is crucial for your business, which is why we offer a variety of shipment options to suit your needs. You can choose from LCL, FCL, express, or air shipment, depending on your budget and timeline.

Surface Options

Our paper tube packaging can be customized with different surface options to enhance the look and feel of your product. You can choose from a variety of finishes, including matte, glossy, or textured surfaces to give your packaging a unique and professional look.

Customized Logo

We understand the importance of branding for your business, which is why we offer the option to add your logo to the packaging. Our paper tubes can be printed with your logo, making it easy for customers to recognize your brand and stand out from the competition.

Surface Treatments

In addition to custom designs and logos, we also offer various surface treatments to add a touch of elegance and luxury to your packaging. You can choose from options such as matt lamination or foil stamp, which can give your packaging a premium look and feel. Choose our cardboard paper tubes for your food and cosmetic products, and give your customers a unique and high-quality packaging experience. Contact us today to discuss your packaging needs and get a quote for your customized paper tube packaging solution.

Durable and Eco-Friendly Packaging Solution

Our Paper Tube Packaging is made from sturdy and durable cardboard material, ensuring that your products are well-protected during transportation and storage. It is also food grade, making it safe for packaging food and beverages. As an eco-friendly packaging option, it is recyclable and helps reduce the environmental impact of your business.

Custom Design and Logo Printing

We understand that every product is unique and requires a packaging design that reflects its brand and message. That's why we offer custom design services to create a packaging solution that meets your specific needs. You can also choose to have your logo printed on the Paper Tube Packaging, making it a great marketing tool for your brand.

Versatile Usage in Various Industries

Our Paper Tube Packaging is suitable for a wide range of industries, making it a versatile packaging solution for your products. It is commonly used in the food industry for packaging snacks, candies, and other treats. It is also popular in the beverage industry for packaging drinks and can even be used for packaging cosmetics and gifts.

Cost-Effective and High Quality

At Ilr, we strive to provide our customers with cost-effective packaging solutions without compromising on quality. Our Paper Tube Packaging is competitively priced, making it an affordable option for businesses of all sizes. We also ensure that our packaging meets the highest quality standards, providing you with a reliable and durable packaging solution.

Fast Delivery and Trusted Supplier

With a supply ability of 90000000000 units per month, we can fulfill large orders in a timely manner. Our efficient production process and reliable logistics partners enable us to deliver your Paper Tube Packaging within 10-20 days. As a trusted supplier, we take pride in providing our customers with excellent products and services.

Invest in Sustainable Packaging with Ilr

In today's world, it is crucial for businesses to adopt sustainable practices. By choosing our Paper Tube Packaging, you are investing in a sustainable packaging solution that will help you reduce your environmental footprint. Stand out as a responsible and eco-friendly brand with Ilr's eco-friendly packaging options.

Protective Packaging for Your Products

Our Paper Tube Packaging is designed to provide maximum protection for your products. Its cylindrical shape and sturdy material ensure that your products are safe from damage during transportation and storage. Its customizable size also allows you to choose the perfect fit for your products.

Don't wait any longer, contact us today to place your order for our Cardboard Paper Tube Packaging. Join the countless businesses that have trusted Ilr for their packaging needs. Let us help you take your packaging to the next level!

Packing and Shipping:

Packaging and Shipping

The Paper Tube Packaging is packaged in a sturdy cardboard box to protect it during shipping. The box is lined with bubble wrap for extra protection and cushioning. The product is then secured with packing peanuts to prevent any movement during transit.

For shipping, we use reputable shipping companies to ensure the safe and timely delivery of your order. The shipping cost will be calculated based on the weight and destination of your order.

Upon arrival, please inspect the packaging for any damage. If there are any issues, please contact our customer service team within 24 hours of receiving your order.

For international orders, please note that customs fees and taxes may apply. These fees are the responsibility of the customer and will not be covered by our company.
