Product Description

Product Description:

The Food Packaging Box is a premier solution crafted for businesses and individuals looking for a reliable and eco-friendly way to package their food products. This product is meticulously designed to meet the highest standards of quality and functionality, ensuring that your food items are well-protected and presented in the most appealing manner. With a lead time of just 12 days, you can quickly replenish your supply to keep up with the demands of your customers.

Our Food Packaging Box is constructed using high-quality materials that are sourced with sustainability in mind. The eco-advantage of this packaging means that you are making a responsible choice for the environment without compromising on the durability and integrity of the packaging. Whether you are looking to package organic produce, gourmet delicacies, or any other type of food, our Bio Food Packaging solutions are designed to keep your products fresh and safe from external contaminants.

The versatility of the Food Packaging Box allows for a broad range of applications, including as a Food Gift Box Packaging, which adds an elegant touch to your culinary gifts. The aesthetically pleasing design, coupled with the sturdy construction, ensures that your food items are both protected and presented in a way that enhances the overall gift-giving experience. This box is perfect for occasions such as holidays, corporate events, or any other special event where food gifts are appreciated.

Understanding the importance of branding, we offer the option for Custom Orders to accommodate your specific branding needs. You can tailor the Food Packaging Box to reflect your brand's logo, color scheme, and other design elements, creating a personalized look that resonates with your brand identity. Accepting custom orders allows us to provide you with a packaging solution that is as unique as the products you offer.

To ensure that your packaging meets your expectations, we offer a Sample Time of 3-5 work days. This allows you to review and assess the quality and design of the Food Packaging Box before committing to a full order. We believe in providing our clients with the opportunity to make informed decisions, and our sample service is a testament to our commitment to customer satisfaction.

When it comes to packing and shipping, we employ a Standard Packing Carton and Export Packaging method to ensure that your order arrives in perfect condition, no matter the destination. Our packaging is designed to be robust and secure, safeguarding your food products during transit and ensuring that they reach their destination as intended.

The Food Packaging Box is the ideal solution for businesses and individuals who value quality, sustainability, and customization. With a quick lead time, eco-advantages, and the ability to accept custom orders, our packaging solution is poised to elevate your food presentation and preservation to new heights. Whether you're in the market for Bio Food Packaging or looking to impress with Food Gift Box Packaging, our Food Packaging Box is the ultimate choice for your packaging needs.

Applications:

The Ilr brand, recognized for its innovation in packaging solutions, presents the model number 45636354, a top-tier food packaging box designed to meet a variety of application occasions and scenarios. These boxes are crafted with robust paperboard, providing not only strength but also an eco-friendly option for food containment. With their origin from China, Ilr has established itself as a reliable provider of

quality packaging solutions.

These cardboard packaging for food are ideal for a broad range of occasions, from the bustling kitchen of a fast-paced restaurant to the detailed assembly line of food manufacturers. With a minimum order quantity of only 500 units and a competitive price range of \$0.1-\$0.5 per box, businesses of all sizes can access professional-grade packaging. The packaging details ensure that each box arrives in pristine condition, thanks to the sturdy carton pack which safeguards the products during transit.

Dedicated to meeting client demands promptly, Ilr promises a swift delivery time of just 12 days. The payment terms are straightforward and business-friendly, with TT (Telegraphic Transfer) being the preferred method. With an astonishing supply ability of 9000000000 boxes per month, Ilr is equipped to handle orders of any magnitude, assuring customers that their inventory needs will be consistently met.

The standard packing carton and export packaging options emphasize the brand's commitment to quality and customer satisfaction. Furthermore, each food container paper box can be customized according to client specifications, allowing for a personalized touch that can enhance brand recognition and customer experience. The 12-day lead time ensures that even custom orders are fulfilled without significant delays.

For businesses in the agricultural sector, Ilr's food packaging boxes double as efficient fruit and vegetable packaging boxes. Their durability ensures that produce remains protected from farm to market, maintaining freshness and visual appeal. The sample cost is a testament to Ilr's confidence in their product; it will be refunded once the order is placed, making the initial quality assessment risk-free for clients.

As a versatile solution, these food packaging boxes are not only functional but also uphold aesthetic value, making them suitable for display in retail environments or for use in subscription box services. Whether you're packaging baked goods, confectioneries, or fresh produce, Ilr's model number 45636354 is designed to uphold the integrity of your products while adding a touch of sophistication to your brand presentation.

Packing and Shipping:

The Food Packaging Box is designed to ensure that your food items are securely packed and retain their freshness during transit. Crafted from high-quality, food-grade materials, our packaging box provides a sturdy and safe container for a variety of food products. The box is lightweight yet durable, allowing for easy handling and shipping.

Before shipment, each Food Packaging Box is carefully inspected to guarantee it meets our high standards for quality and durability. The boxes are then flat-packed to minimize shipping volume, reducing transportation costs and environmental impact. Upon receipt, the boxes can be quickly and effortlessly assembled, ready to be filled with your food products.

Our Food Packaging Box is available in various sizes to accommodate different food items, and it features a simple, elegant design that is both functional and aesthetically pleasing. Whether you are packaging baked goods, confectionery, or any other food items, our box ensures that your products will arrive at their destination in excellent condition.

We take great care in the packaging and shipping process to provide you with a reliable solution that protects your items and enhances the unboxing experience for your customers. With our Food Packaging Box, you can be confident that your food products are well-presented and preserved, from our facility to your customer's hands.
