## Product Description

### Product Description:

The closure type of this enclosure box is foldable, which makes it easy to open and close without any hassle. You can store your electronics safely and securely with this enclosure box, knowing that it will stay closed and protected at all times. Our Electronics Enclosure Box is highly customizable, with a variety of options available to suit your needs. You can choose from a range of sizes to find the perfect fit for your electronics, and you can also customize the surface finish to suit your preferences. The surface finish of this enclosure box is print+hot stamp foil, which gives it a sleek and professional look.

This Electronics Enclosure Box is designed to accommodate a wide range of electronics, so you can store everything from small devices to larger equipment. The custom size option ensures that you can find the perfect fit for your electronics, no matter what size they are. Plus, the lightweight construction makes it easy to transport your electronics wherever you need to go.

When it comes to weight capacity, this Electronics Enclosure Box is designed to be lightweight and easy to carry. You won't have to worry about adding extra weight to your load when you use this enclosure box to store your electronics.

In summary, our Electronics Packaging Box is the ideal solution for anyone who needs a reliable and customizable storage option for their electronics. With its foldable closure type, custom size options, and lightweight construction, this enclosure box is the perfect choice for anyone who needs to transport their electronics with ease. So why wait? Order your Electronics Enclosure Box today and start enjoying the convenience and peace of mind that it provides!

**Features:**

Product Name: Electronics Packaging Box  
Design: Simple  
Use: Electronics Product Packaging  
Feature: Recyclable, Reusable  
Customization: Available  
Style: Modern Luxury  
Also known as: Electronics Wrapping Box, Electronic Encasement Kit, Electronics Enclosure Box

**Technical Parameters:**

Product Attribute	Description
Paper Type	Art Paper
Design	Simple
Durability	High
Use	Electronics Product Packaging
Closure Type	Foldable
Customization	Available
Size	Custom Size Accepted
Surface Finish	Print+Hot Stamp Foil
Color	White
Weight Capacity	Lightweight

**Applications:**

One of the primary uses for the Ilr 15661 Electronics Wrapping Box is as an electronics packaging box. This box is perfect for protecting and storing a wide range of electronic components, such as circuit boards, microchips, and other sensitive equipment. The foldable closure type of the box ensures that the contents remain secure during transport and storage, while the recyclable and reusable features make it an eco-friendly choice for those looking to reduce their environmental footprint.

Another common use for the Ilr 15661 Electronics Wrapping Box is as a general-purpose packaging solution. With its lightweight design and customizable packaging details, this box is perfect for everything from shipping small items to storing personal belongings. The box

can be easily customized to suit individual needs and preferences, making it a popular choice among individuals and businesses alike. The Ilr 15661 Electronics Wrapping Box is also a great choice for those looking for a cost-effective and efficient way to store and transport a variety of items. With its high supply ability of 900000000000/month and minimum order quantity of 500, this box is ideal for businesses looking to stock up on a reliable and durable packaging solution. The delivery time of 12 days ensures that orders are fulfilled quickly and efficiently, while the payment terms of TT make it easy for businesses to manage their finances. Overall, the Ilr 15661 Electronics Wrapping Box is a versatile and reliable packaging solution that is perfect for a wide range of occasions and scenarios. Whether you are looking for an electric components case, a general-purpose packaging solution, or a cost-effective way to store and transport items, this box is an excellent choice. With its recyclable and reusable features, simple design, and lightweight construction, the Ilr 15661 Electronics Wrapping Box is the perfect packaging solution for those looking to reduce their environmental footprint while still getting the job done.
