Applications:

The Ilr 4561351 custom card game printing product is perfect for a variety of occasions and scenarios. For example, it can be used for custom planner printing, which is a great way to keep track of important dates and deadlines. Businesses can use this product to create custom board game cards, which is a fun and engaging way to market their brand. Families can use this product to create personalized card games for family game night.

The card size for this product is standard (2.5" x 3.5"), which is the most commonly used size for playing cards. The production time for this product is 7-10 business days, which means that customers can expect to receive their order within a reasonable timeframe. The shipping options for this product include air, sea, and express, allowing customers to choose the shipping method that best suits their needs.

The Ilr 4561351 custom card game printing product comes with a glossy or matte lamination finish, which provides a durable and professional-looking finish. Each deck of cards contains 54 cards, which is the standard quantity for most card games. Overall, this product is a versatile and customizable option for businesses, families, and individuals looking to create unique and personalized card games.

Customization:

We offer customization services for the Box Design and Card Front Design, ensuring that your game stands out from the rest. Each deck contains 54 cards and is printed using Offset Printing. Our Custom Card Game Printing service is perfect for those looking to create a unique and personalized game experience.

Our services are not limited to card games; we also offer ID Card Printer Supplies for all your identification needs. Trust us to provide you with high-quality products that meet your specifications and exceed your expectations.

Support and Services:

Packing and Shipping:

Product Packaging:
Each deck of cards will be packaged in a custom tuck box with your personalized design. The tuck box is made of high-quality cardstock and features a glossy finish for a professional look.
