## Product Description

### Product Description:

We understand the importance of having a sample of our product before placing a larger order, which is why we offer a sample time of only 4 days. This gives you the opportunity to see and feel the quality of our Corrugated Shoe Boxes before committing to a larger purchase.

Our Corrugated Shoe Boxes come uncoated, providing a natural and eco-friendly option for shoe storage. However, if you prefer a coating, we also offer a wax coating material for added protection.

We pride ourselves on timely production, with a mass production time of 4 days. This means that once you have approved your sample and placed your order, you can expect your Corrugated Shoe Boxes to be delivered in a timely manner.

Our Corrugated Shoe Boxes also come with a variety of finishing options to choose from, including print, gloss, or matt lamination. This allows you to customize the look of your shoe boxes to match your personal style and preferences.

Investing in our Corrugated Shoe Boxes means investing in the longevity and protection of your footwear collection. Say goodbye to cluttered closets and disorganized shoe piles and hello to a more organized and efficient shoe storage system.

### Features:

Product Name: Shoe Packaging Box

Box Type: Shoe Box With Lids

Applications:

These shoe packaging boxes are ideal for a range of application occasions and scenarios. They can be used to package and store shoes for shipping, retail display, or storage in warehouses. The uncoated coating ensures that the shoes remain dry and free from moisture during storage and transportation. Additionally, the boxes are designed to withstand wear and tear during transit, ensuring the shoes inside remain in excellent condition.

LLR's corrugated shoe boxes are available for purchase in quantities of at least 500 pieces, with a price ranging from \$1.3 to \$1.9 per unit. These boxes are delivered in a carton pack and have a delivery time of between 7-12 days. Payment terms require a 50% deposit, with the balance paid before shipment. With a supply ability of 90000000000000pcs, you can be assured that your needs will be met in a timely and efficient manner.

The shoe boxes are designed for industrial use in the shoe and clothing industry. They are perfect for storing and transporting shoes of various styles and sizes. The material structure of these boxes is made from paper, making them eco-friendly and recyclable. The printing handling options include print, UV varnishing, and gloss lamination, providing a range of customization options to meet the specific needs of your business.

In summary, LLR's corrugated shoe boxes are the perfect packaging solution for the shoe and clothing industry. With their durability, sturdiness, and customization options, these boxes are versatile and can be used for a range of purposes. Whether you are shipping shoes to customers or storing them in a warehouse, these boxes are the perfect solution.

Customization:

Support and Services:

Our Shoe Packaging Box product comes with comprehensive technical support and services to ensure that our customers are fully satisfied with their purchase. Our support team is available to answer any questions or concerns you may have regarding the product. Additionally, we offer maintenance and repair services to ensure that your Shoe Packaging Box remains in top condition. Our team can also assist with customization requests to meet your specific packaging needs.

Packing and Shipping:

Product Packaging:

The Shoe Packaging Box product comes in a sturdy cardboard box with a lid that securely closes to protect the contents inside. The box is designed with a sleek and modern look, featuring the product name and branding on the front.

Shipping:

Our Shoe Packaging Box product is shipped in a larger cardboard box to ensure maximum protection during transport. Inside, the shoe boxes are wrapped in bubble wrap to prevent any damage during shipping. We use reliable shipping carriers to ensure that your order arrives in a timely and safe manner.
