Applications:

Cardboard Cylinder Tubes by Ilr, model number 1123585212, originating from China, are versatile packaging solutions suitable for a wide range of product application occasions and scenarios. These Composite Paper Tube containers are ideal for various industries due to their durability, eco-friendliness, and customizable design options.

The Ilr Paper Tube Packaging is commonly used in Cosmetic Tube Packaging for items such as lip balms, lotions, creams, and other beauty products. The cylindrical shape of the tubes provides a sleek and professional appearance, making them perfect for showcasing cosmetic items.

Furthermore, the Packaging Details include carton pack, ensuring that the products are securely transported and delivered in optimal condition. With a minimum order quantity of 500pcs and a cost-effective price ranging from \$0.28 to \$0.95 per unit, businesses can procure these packaging solutions in bulk without compromising on quality or budget.

Businesses can benefit from the Ilr Paper Tube Packaging's quick Delivery Time of 10-20 days, making it a convenient option for time-

sensitive product launches or promotions. Additionally, the flexible Payment Terms of 50% deposit and 50% final payment before shipment provide ease of transaction for buyers.

With a Supply Ability of 90000000000 units per month, Ilr ensures that businesses have a reliable source for their packaging needs. The Customizable Design feature allows companies to tailor the surface of the tubes to match their branding and product requirements, while the available Surface Treat options like Matt Lamination and Foil Stamp add a premium touch to the packaging.

In conclusion, the Ilr Cardboard Cylinder Tubes offer a versatile and cost-effective solution for businesses looking for high-quality, customizable packaging. Whether used for cosmetic products, gifts, or other items, these Composite Paper Tube containers provide a professional and eco-friendly packaging option for various product application scenarios.
