## Product Description

### Product Description:

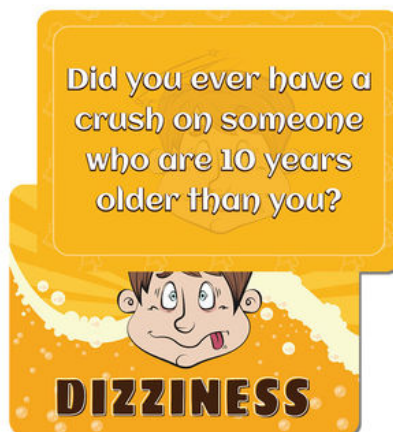

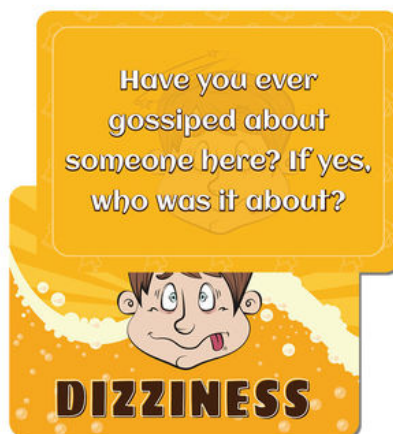

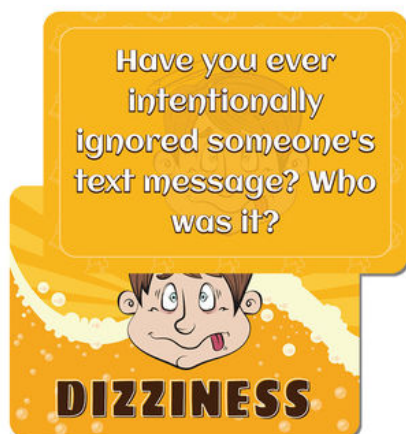

Welcome to our Custom Card Game Printing service, where we bring your vision to life with high-quality custom paper cards made from 300gsm Art Paper. With our specialized offset printing method, your designs will be vibrant and durable, ensuring a professional finish for your custom planner printing project.

Each deck includes 54 cards, giving you ample space to create a unique and engaging card game experience. Whether you are designing a custom card game for personal use, events, or retail purposes, our high-quality materials and printing process guarantee a premium end product.

One of the standout features of our Custom Card Game Printing service is the customizable card back design. You have the creative freedom to design a card back that perfectly complements your game theme or branding. This customization option allows you to create a cohesive and visually appealing deck of cards that stands out.

When it comes to shipping options, we offer flexibility to suit your needs. Choose between Air, Sea, or Express shipping to receive your custom coloured paper cards in a timely manner, no matter where you are located. We understand the importance of timely delivery, and our shipping options are designed to accommodate your specific requirements.

Whether you are a game designer, event organizer, or business looking to create a unique promotional item, our Custom Card Game Printing service is the perfect solution. Elevate your project with our high-quality materials, precision printing, and customizable options to bring your vision to life in the form of custom paper cards that leave a lasting impression.

# 50 sheets per box

Have you ever intentionally ignored someone's text message? Who was it?

Have you ever gossiped about someone here? If yes, who was it about?

Have you ever lied and said you liked a particular gift?

Did you ever have a crush on someone who are 10 years older than you?

Have you ever been to any other countries? Which ones?

Have you ever tracked someone you just met?

For those who have glasses or contact lenses, take a small sip.

Have you secretly judged your friends' fashion choices?
