Product Description

Product Description:

Are you looking to bring your creative vision to life with custom game card printing? Look no further than our Custom Card Game Printing service! Whether you're designing custom greeting cards, board game cards, or any other type of custom game cards, we've got you covered with our wide range of customization options.

With our Custom Card Game Printing service, you have full control over the design of your cards, box, and rulebook. Our customization options include card design, box design, and rulebook design, allowing you to create a truly unique and personalized game experience. Whether you have a specific theme in mind or want to showcase your own artwork, the possibilities are endless.

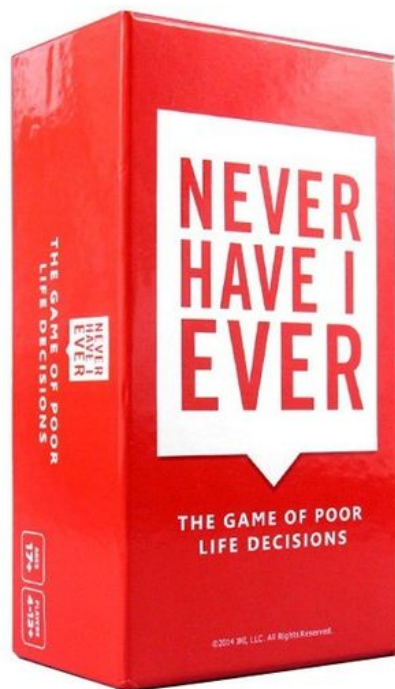

When it comes to the finish of your cards, you can choose between glossy or matte lamination. Glossy lamination offers a shiny and reflective finish, while matte lamination provides a smooth and non-reflective surface. Whichever option you choose, rest assured that your custom game cards will have a professional and polished look.

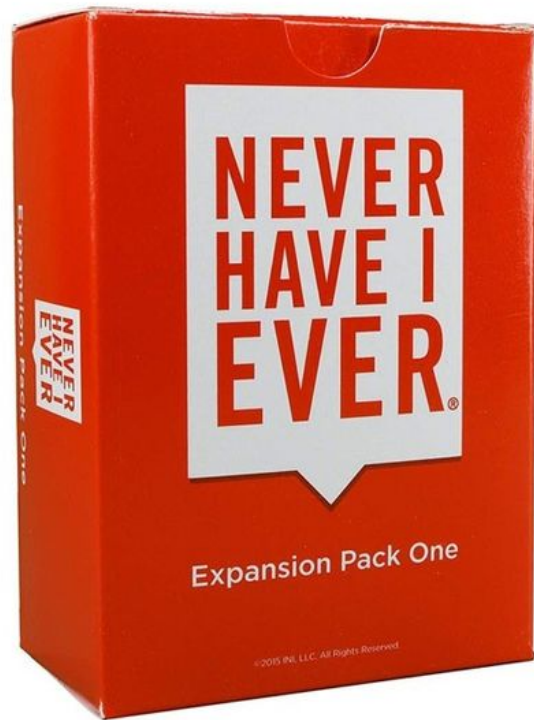

One of the key features of our Custom Card Game Printing service is the customizable box design. You can create a box that perfectly complements the design of your cards and enhances the overall presentation of your game. Whether you prefer a minimalist and sleek box design or a vibrant and eye-catching one, we can bring your vision to life.

When it comes to the design of the card fronts and backs, the possibilities are truly endless. You can customize the card fronts with your artwork, illustrations, or text to create cards that are visually stunning and engaging. The card backs can also be customized to match the theme of your game or to add an extra touch of personalization.

Our Custom Card Game Printing service is perfect for game designers, artists, and anyone looking to create a one-of-a-kind game experience. Whether you're designing custom greeting cards for a special occasion or creating custom game cards for a board game prototype, we're here to help you every step of the way.

Bring your creative vision to life with our Custom Card Game Printing service and create custom game cards that stand out from the rest. With our wide range of customization options, professional finishes, and high-quality printing, you can trust us to bring your game to life in the most personalized and professional way possible.

Applications:

Custom Printed Playing Cards by Ilr (Model Number: 4561351) are versatile products that can be used in a variety of occasions and scenarios. These customizable playing cards are perfect for individuals, businesses, and organizations looking to create unique and personalized card games. The cards are manufactured in China with a minimum order quantity of 500 units, making them suitable for small-scale and large-scale productions.

These Custom Printed Playing Cards cater to a wide range of needs and preferences, from educational games to promotional items. Businesses can use them as marketing tools by imprinting their logos and branding on the card front design. The offset printing method ensures high-quality and vibrant prints on the 300gsm Art Paper material, giving the cards a professional look and feel.

Whether it's for game nights, events, or retail purposes, these Custom Printed Playing Cards offer endless possibilities. The standard card

size makes them suitable for various card games and activities. The customizable box design adds an extra touch of personalization, making them ideal for gifts and souvenirs. With a price range of \$0.56 to \$3.5 per deck, these Custom Printed Playing Cards offer great value for their quality and customization options. The carton pack packaging details ensure safe and secure delivery, with a fast turnaround time of 12 days. Payment terms are flexible with TT options, and the supply ability of 90000000/month ensures timely fulfillment of orders.
